Darren Sproles (NO) vs. James Starks (GB) – This one is going to come down to opportunities, and Starks looks as if he'll touch the ball a lot more than Sproles if Ryan Grant misses Green Bay's matchup with Denver, as expected (bruised kidney). Of course, when it comes to injuries in the N.F.L., things aren't always what they appear to be. We'll keep tabs on the situation and tentatively take Starks for now, but we might go the other way if Grant ends up playing. Our pick: Starks.

Running Back Matchups
 Quarterback Matchups
 BenJarvis Green-Ellis (NE) vs. Mark Ingram (NO) – Two committee backs playing for two high-powered offenses, 2012 Nike NFL Pro Combat uniforms, could this one get any tougher? Getting just 10 carries in last week's shootout with Buffalo, NFL online store, Green-Ellis should see more opportunities against an Oakland run defense that has surrendered 126 rushing yards a game and 3 touchdowns. Ingram is up against a Jaguars defense that has allowed fewer yards on the ground (3.4 YPC) than the Ravens through the first three games, and the Saints will be down two starting offensive linemen, so this projects to be a tough one for the Saints? ¥ three-headed backfield. Our pick: Green-Ellis.

Wide Receiver Matchups
 Brandon Jacobs (NYG) vs. Willis McGahee (DEN) – Willis McGahee is averaging just 2.9 yards per attempt and doesn't have the offensive line to match up with Green Bay's No. 1-ranked run defense. Plus, Nike new NFL jerseys, Nike hockey jersey, Knoshown Moreno practiced this week without limitations and will see a decent cut of the workload. Jacobs has a much friendlier opponent in the Cardinals (27th ranked run defense) and has historically done well against Arizona, Florida State football jersey, scoring a touchdown in both games. Our pick: Jacobs.

Jahvid Best (DET) vs. Tim Hightower (WAS) — Hightower has averaged 13 fantasy points a game so far this season, youth football jersey, is going up against the league's worst run defense, the Rams', while Best, shop NFL jerseys, who is averaging just 2.9 yards per carry through three weeks, is facing the league's second best run defense, personalized hockey jerseys, cheap football jersey, the Cowboys'. Need we say more? Our pick: Hightower.

Matt Ryan (ATL) vs. Cam Newton (CAR) – Ryan is another guy who hasn't had much help from his offensive line so far, NHL throwback jerseys, NFL jerseys for 2012, but the Seahawks' run defense scares us more than their ability to bring the blitz. The Chicago Bears are the only team with more pass attempts right now than Atlanta, and the Falcons should be throwing plenty here since we expect the Seahawks to contain Michael Turner. Newton came back down to earth last week, and while some of that could be blamed on the poor weather conditions, cheap NFL jersey, Cheap Hockey Jersey, he wasn't exactly lighting up the Jaguars before the rain came (two near picks, major accuracy issues). Our Pick: Ryan.

After a tough loss to the Ravens last week, is Nike taking over the NFL, the Pittsburgh Steelers hope to bounce back as they travel to Paul Brown Stadium to battle the Cincinnati Bengals on Sunday. Jason Horowitz is joined by NFL.com's Pat Kirwan to break down this game. If you submit one of the 50 most accurate responses this week, you can win a prize from FantasyPros.com.

Dexter McCluster (KC) vs. Torrey Smith (BAL) — McCluster had 14 touches last Sunday in the Chiefs' first full game without Jamaal Charles, NFL jerseys cheap, while Smith was busy

breaking records against the Rams. Smith is an exciting talent, how to make a football jersey, nike nfl pro combat, purdue football jersey, but the Jets should be much more prepared for him. We also need to remember that this will be his fourth N.F.L. game, wholesale football jerseys, and that he had zero receptions in his first two games before the surprising breakout. McCluster has a tough matchup with the Vikings' fourth-ranked run defense, but he is averaging a Charles-esque 6.6 yards a carry. Our Pick: McCluster. New York Times readers bounced back in Week 3, roller hockey jerseys, finishing third among the Web sites participating in the FantasyPros.com Start/Sit Challenge. That performance brought you up to second place over all. We happen to be first out of the 68 experts participating, which is only slightly more impressive than your placing. So, nike nfl uniforms leaked, hockey jersey sizing, we're both doing great, but the season is young. On to Week 4, authentic nfl jersey! Make your picks here. Jason and Justin Sablich are here to help you with your fantasy football team. The Sablich brothers will provide fantasy football advice throughout the season on this blog and on Twitter (@5thDownFantasy). Start/Sit Challenge Tweet Tweet David Nelson (BUF) vs. Robert Meachem (NO) — Another Saints start/sit pick? These guys are never easy to read. But with Colston possibly getting some reps in this week, practice hockey jerseys, and a healthy Moore once again drawing a lot of attention, nfl saints jersey, Meachem's fantasy appeal is starting to wane. Nelson, on the other hand, is working for the N.F.L.'s top-ranked offense right now, and is seeing nearly as many targets as Buffalo's No. 1 option, nfl jersey show, cheap authentic nhl jerseys, Stevie Johnson (credit Mathew Berry). Our pick: Nelson. Make Your Picks Ben Roethlisberber (PIT) vs. Eli Manning (NYG) — Roethlisberger's offensive line is our big concern here. The Steelers are dealing with three banged up linemen this week, but the bigger issue is just how bad the unit has played over the last two games. Meanwhile, blank football jersey, notre dame hockey jersey, Eli Manning?; ¥s confidence should be sky high after an outstanding performance last week, and he should have Mario Manningham back against an Arizona secondary that has given up 275 yards a game. Our Pick: Manning. A.J. Green (CIN) vs. Nate Washington (TEN) — If you read our matchups post, nfl stitched jerseys, make your own football jersey, you know we don't like Washington's matchup with Joe Haden. He is quickly becoming one of the top corners in the game, shutting down talented players like Green, Reggie Wayne and Brandon Marshall. With Kenny Britt no longer a worry for opposing defenses, wisconsin badgers football jersey, the Browns should be zeroing in on stopping Washington. Green is coming off a down week, but has a good chance to bounce back at home against a Bills secondary allowing 23 fantasy points a game to the position. Our pick: Green. Lance Moore (NO) vs. Sidney Rice (SEA) — Coach Sean Payton said this week that his team's WR1 Marques Colston will be "up this week, customize your own nfl jersey, air force football jersey," and if by "up" he actually means playing, Moore's value could take a bit of a hit. But one shouldn't expect Colston to receive his normal snap count. Since Moore and company have given Drew Brees plenty to work with this season, design a hockey jersey, Payton can take his time working Colston back into the rotation, penn state football jersey, meaning Moore should still see a decent number of looks this week. Rice had a productive debut against a generous Cardinals secondary, cheap nfl caps, but owners who missed out on the fun could be in for a letdown as he faces a much more talented defense this week in the Falcons. Our pick: Moore. I is not really heading to expose you, you honestly are you able to of the sccor Marquis and elders,

however, if you take place to dare to say the key of our sisters in the front of others, hum ?- the enormous fist of energy invested on the max tn the hand beating shining blue brightness of her little face reflected twinkling, truly horrible.
